Rivers Alive is an annual volunteer waterway cleanup event held throughout Georgia each fall. It is an opportunity to help preserve our water resources and give something back to the environment and our community.

Fayette County lakes, rivers and streams provide us with fresh drinking water, recreational opportunities and support a wide range of wildlife. Please help us clean our waterways and watershed areas by participating in the Rivers Alive Cleanups on Sat., Oct. 10 and Sat., Oct. 17, 2009
